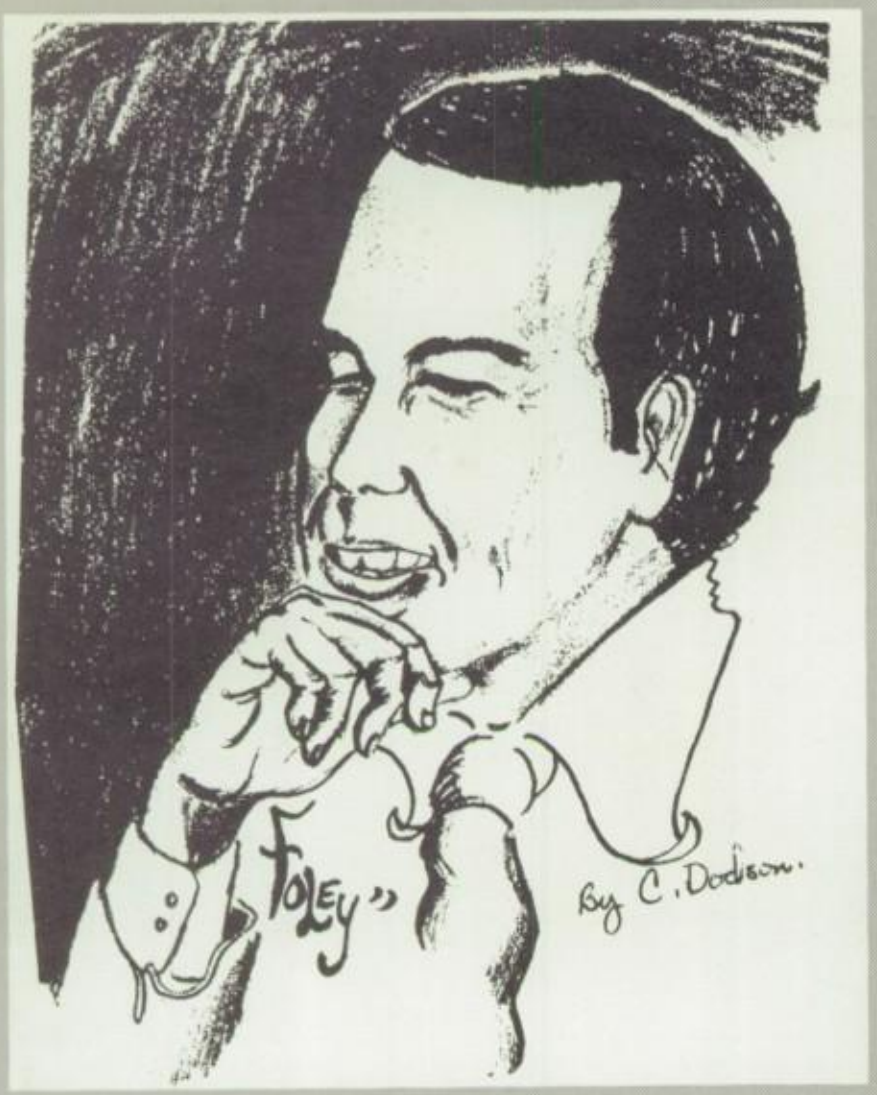
Mr. William Foley



We, the Danbury High School Graduating Class of 1977, proudly dedicate our yearbook to a man who has been our advisor and friend for the past three years. With patience and understanding, he has helped us to mature as individuals and to succeed as a class. He has been there to applaud our victories, to reassure us in spite of our defeats, and to encourage our progress. There were many times when we needed someone to bolster our confidence and to hold us together as a class. Mr. Foley filled that position and gained the respect of us all. He did nothing grudgingly, but with concern for the class. He carried out each task with enthusiasm. Certainly, he did not consider his work a chore, but an adventure.

For your unending service to us, it is our privilege to dedicate this edition of the *Aggregate* to you, Mr. Foley. May this serve as a token of our appreciation and love for you.

DURING THE PAST THREE YEARS THERE HAVE BEEN SIGNIFICANT CHANGES - IN THE WORLD, IN YOUR SCHOOL, AND IN YOUR LIVES - ALL OF WHICH HAVE HAD, AND WILL CONTINUE TO HAVE, AN INFLUENCE ON EACH OF YOU AS YOU BEGIN A NEW PHASE IN YOUR LIFE.

CHANGE AND GROWTH ARE INTEGRAL PARTS OF LIFE AND OF MATURITY. SINCE YOUR SOPHOMORE DAYS, YOU HAVE EXHIBITED STEADY GROWTH IN THE IMPORTANT FACETS OF LIFE - PHYSICAL, MENTAL, SOCIAL AND ETHICAL. I AM CONFIDENT THAT THIS GROWTH WILL CONTINUE INTO YOUR ADULT WORLD.

YEARS FROM NOW, WHEN **AGGREGATE '77** BEGINS TO FULFILL ITS REAL PURPOSE - THE RECOLLECTION OF SHARED EXPERIENCES AND THE BEGINNINGS OF ENDURING FRIENDSHIPS - IT IS MY SINCERE WISH THAT EACH OF YOU WILL HAVE FOUND SUCCESS IN LIFE AND HAPPINESS WITH FAMILY AND FRIENDS.

SINCERELY,

William J. Ryan

DEAR GRADUATES,

HEARTY CONGRATULATIONS TO THE CLASS OF 1977 ARE CERTAINLY IN ORDER. DURING YOUR THREE YEARS AT DANBURY HIGH SCHOOL YOU HAVE ENDURED A CONSIDERABLE AMOUNT OF DIFFICULTY AND STRIFE. HOWEVER, AS A CLASS YOU HAVE HANDLED THE SITUATIONS VERY WELL.

YOU HAVE BEEN TOLD MANY TIMES THAT LIFE ITSELF IS A STRUGGLE. AS THE YEARS PASS I AM SURE YOU WILL LOOK BACK AND REFLECT ON YOUR GOOD TIMES IN HIGH SCHOOL. FUNDRAISERS, DANCES, AND ATHLETIC EVENTS WILL COME TO MIND. ABOVE ALL HOWEVER, THE MOST MEMORABLE WILL BE THE FRIENDSHIPS YOU HAVE FORMED WHICH WILL BE FAR MORE LASTING THAN YOU REALIZE AT THIS TIME.

I THANK YOU FOR THE PLEASANT RELATIONSHIPS YOU EXTENDED TO ME WHILE STUDENTS AT DANBURY HIGH SCHOOL. AS YOU VENTURE INTO MANY DIFFERENT WALKS OF LIFE, I LOOK FORWARD TO SEEING YOU AS SUCCESSFUL MEMBERS OF OUR COMMUNITY AND AS ALUMNI OF OUR SCHOOL.

BEST WISHES,

PEP RALLY

With noses and cheeks rosy from the November cold, we, the students of Danbury High School, assembled by the football field for a rousing pep rally. Run like clockwork under the direction of Vivian Riefberg, senior class president, the pep rally was one of the most successful in years!

The coaches of each of the fall sports were introduced to say a few words to the students. Vivaciously, we cheered as Coach Saracelli of Field Hockey, Coach Rzegocki of Cheerleading, Coach O'Grady of Cross Country, Coach Trocolla of Soccer, and Coach Edwards of Football introduced the senior members of their teams.

Bundled in fuzzy jackets and woolen mittens, we gave an enthusiastic cheer to all of the teams, and then spiritedly joined in with the cheerleaders for **Competition,** our favorite cheer.

"Seniors, can you fight?" FIGHT! FIGHT! FIGHT!
"Everybody, can you fight?" FIGHT! FIGHT! FIGHT!

We left the pep rally with chilled toes and high spirits, happily anticipating the coming sports events!

The disasterous setback of losing 42-0 to Wilton on served to ignite the **Hatters'** fuse. We went on to "ra up" an impressive string of victories including a 52 trouncing over Norwalk and a 12-0 Homecoming W over Brien McMahon to capture the coveted Weste Division Championship.

The superior skill of the **Hatters'** men, Richie Green a Greg Holmes, gave the entire team the confidence neede to play with courage and pride. Their abilities were reco nized by the victories of our team and also by the pres gious honor of being chosen ALL NEW YORK NEW Offensive Halfback and Offensive Tackle, respectively

The true test of Danbury's questioned superiority came Nov. 20th when we faced our adversary, the Trumbu **Eagles,** ranked #1 in the state. "CHEERS"

Cheerleading requires the hard work and enthusiasm of fourteen of our school's most spirited and capable young women. Using such standbys as **Competition, R-O-W-D-I-E,** and **Hail, Danbury!,** the cheerleaders gave everyone something to cheer about.

The senior members of the squad provided the leadership and guidance necessary for a unified cheering voice. Captain Robin Trudeau, Co-Captain Laura Cahill, Nancy Cerra, Sue Durgy, Gail Gedney, Lori Gulliver, Cindy Mattingly, and Maura Schwartz coordinated their personalities and physical abilities to cheer our teams on to victory!

A pair of lively and vivacious juniors gave plenty of support to the rest of the team. The performance of Veronica Belfatto and Evelyn Burgess helped to make the DHS '76-'77 squad the best ever!

Rounding out a superlative cheerleading squad were sophomores Beverly Dumas, Debbie Pollen, Debbie Reid, and Doris Cahill. Through perseverence and a willingness to practice for endless hours, the sophomore cheerleaders contributed to the overall excellence of this year's squad.

Just as spirited and vivacious as the "Cheers" themselves was the ever-dedicated Coach Liz Rzegocki, whose tireless and seemingly endless endeavors contributed to the success of our athletes.

HOMECOMING QUEEN JUDY GREELY

November 13th was a day that none of us will forget! Weeks of diligent preparation went into constructing our magnificent floats, in organizing our rousing pep rally, and in planning our lively dance. The big day finally arrived and masses of people filled the DHS Stadium to cheer on our team in its decisive match against the Brien McMahon **Senators.** "Homecoming '76" had arrived and spirits couldn't have been higher!

A rousing parade led off the sensational festivities. A snakelike procession through the centerof Danbury boggled traffic for an hour. Eagerly, everyone marched up to the field in anticipation of "The Game."

The battle began with a roar as the **Hatters** racked up 6 points early in the first quarter. Then our notoriously fierce defensive unit protected our 6 - 0 lead over McMahon throughout the first half.

At half time, six anxious homecoming queen nominees, Sue Badlwin, Cindy Blore, Pat Charles, Judy Greely, Lori Gulliver and Sheila Lougheed awaited the news of whom had been selected DHS Homecoming Queen of 1976. After the band's impressive half time presentation, Judy Greely, joyously tearful, was crowned queen. It was also announced that the sophomore float, a super-sized whale (orange and blue, of course) had won the annual float competition.

During the second half our men scored 6 more points. Fans screamed with joy as the game was victoriously won with a smashing score - **Hatters** 12 - **Senators** 0.

No doubt about it,the only place to be that night was at our Homecoming Dance! Practically everyone was there to put the finishing touches on our memorable "Homecoming '76" weekend celebration!

SOCCER

The 1976-1977 D.H.S. soccer team did extremely well for an untried team. The majority of varsity players were new, but through hard work and perserverance the team ended the season with a 9-6-1 record.

The Hatters did well enough to qualify for the FCIAC championship. The first tournament game against Greenwich was won 7-2, with Wagdee Agoora scoring four goals. The second of the tournament games was lost 1-0 to Staples after a difficult struggle.

The captains of the team, Marcos Lima, Al Lopes, Henrique Pinheiro, and Jeff Porter, provided the skill and leadership upon which the rest of the team was built. Other notables who contributed to the success of this year's team were Wagdee Agoora and Rui Caetano of the offensive unit, and defensive players Ron Curran, Jeff Marra, and Steve Pollock.

Marcos Lima, with a seasonal performance of 24 goals and 9 assists behind him, made the 1st team All State. Rui Caetano and Henrique Pinheiro contributed to the teams honors by being chosen for the 2nd team All State.

The 1976-1977 varsity soccer season provided all of the members of its team with a valuable learning experience and showed them the importance of teamwork and "never say die" in the game of soccer. Each and every player should be congratulated for their fine performances and for a great season.

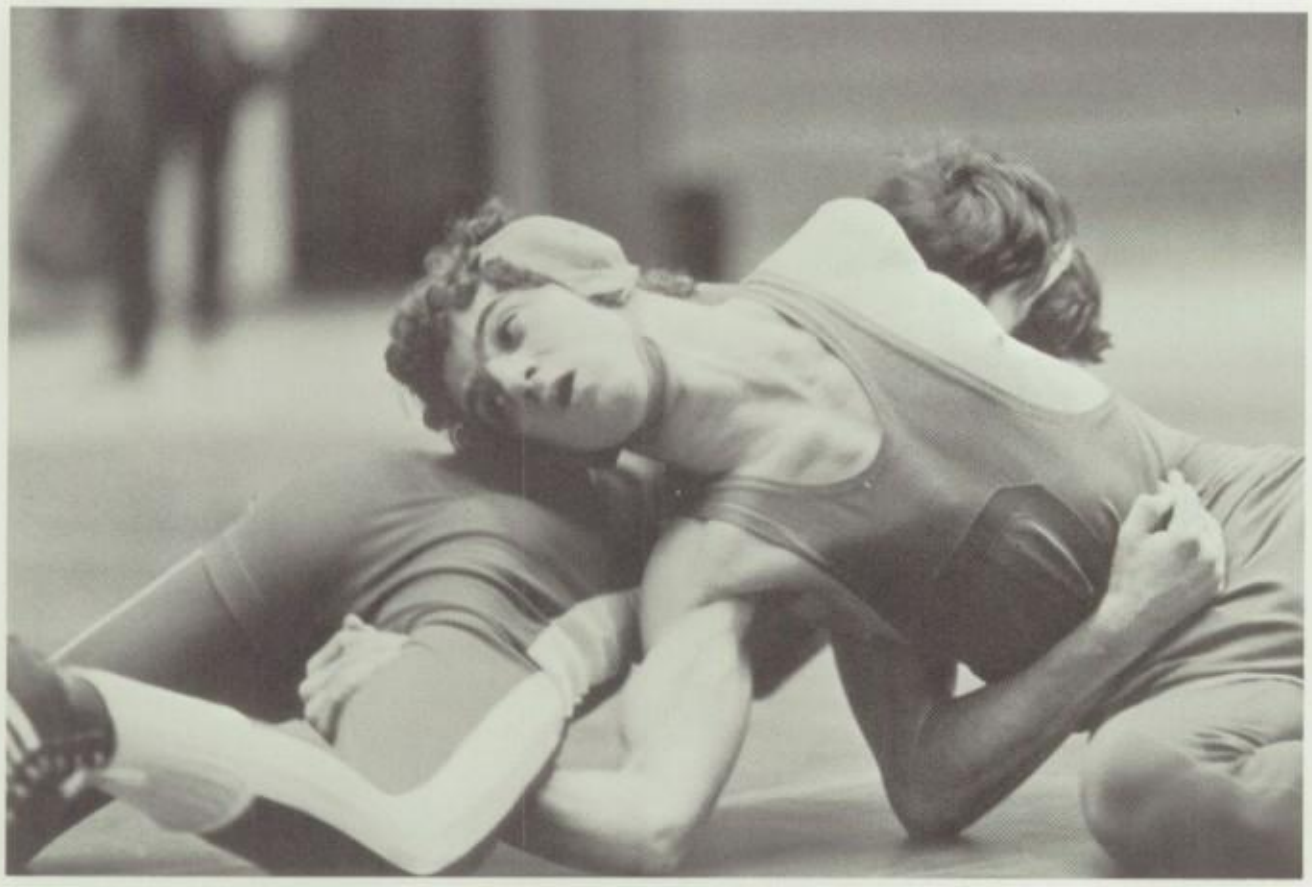
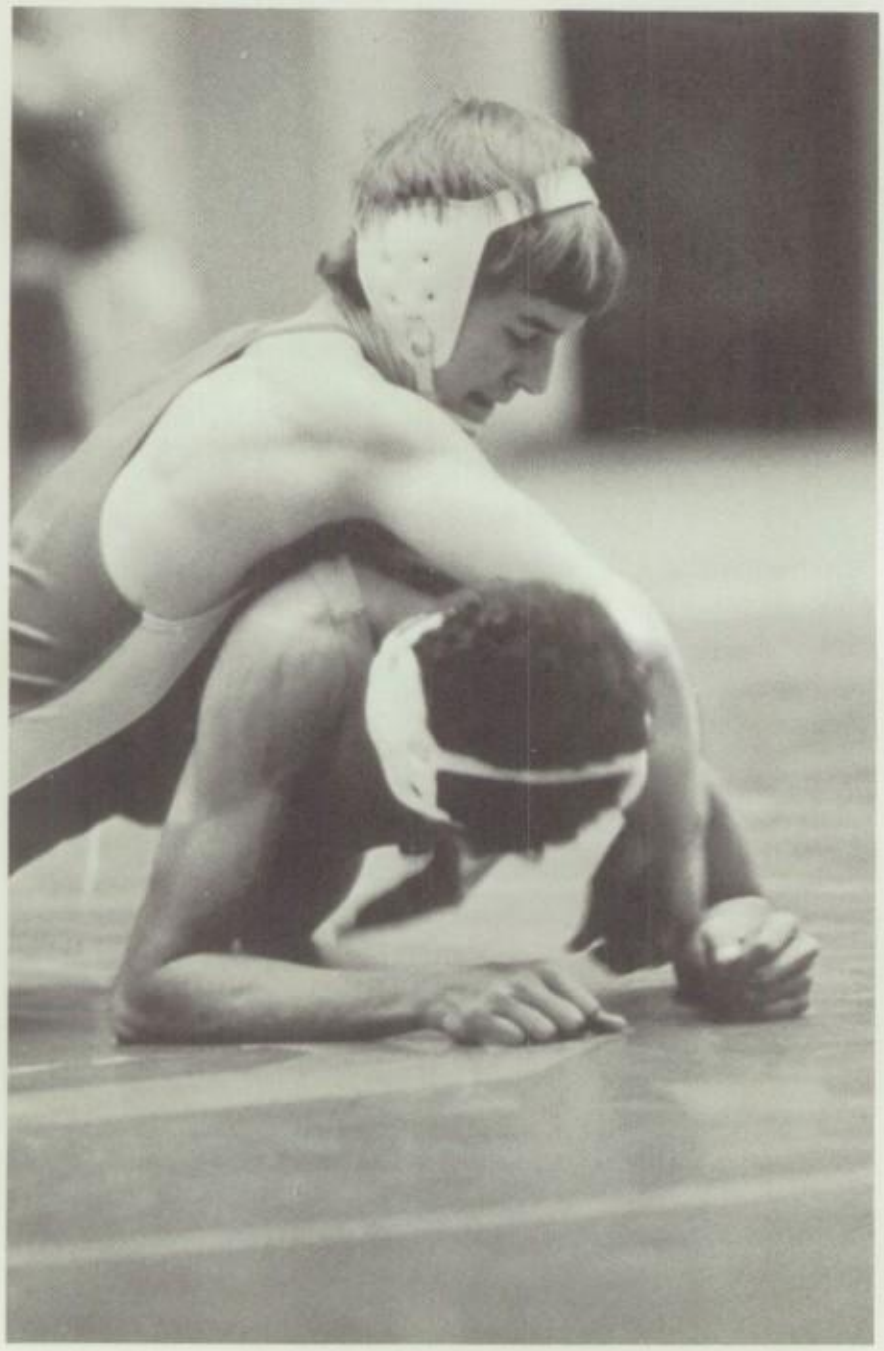
The 1976 Field Hockey season proved to be both enjoyable and educational. Although the record isn't indicative of the progress the team has made, the girls' perserverance and determination is to be commended. Both the Varsity and Junior Varsity Teams started practicing during the summer, polishing the skills needed to score those precious goals.

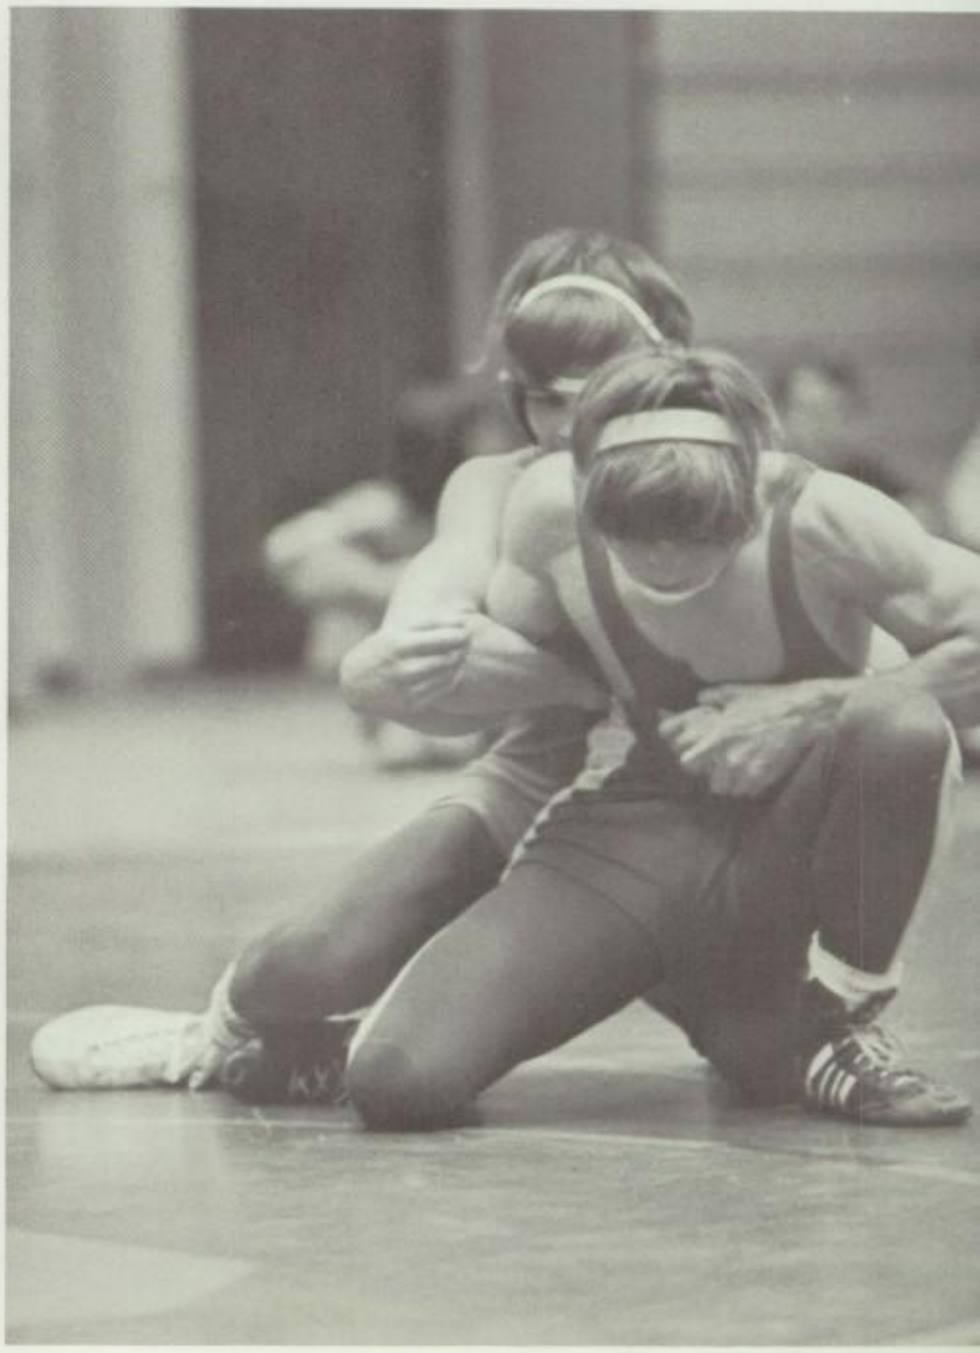
Led by tri-captains Debbie Crothers, Judy Greeley, and Donna Pennington, the Varsity team performed enthusiastically and retained their optimism throughout the season. Their efforts were well rewarded, all team members learning from their athletic experience. Goalie Diane True could always be found diligently guarding the goal, putting up a good fight against the opposing team. All of the girls learned the importance of speed, power, and precision.

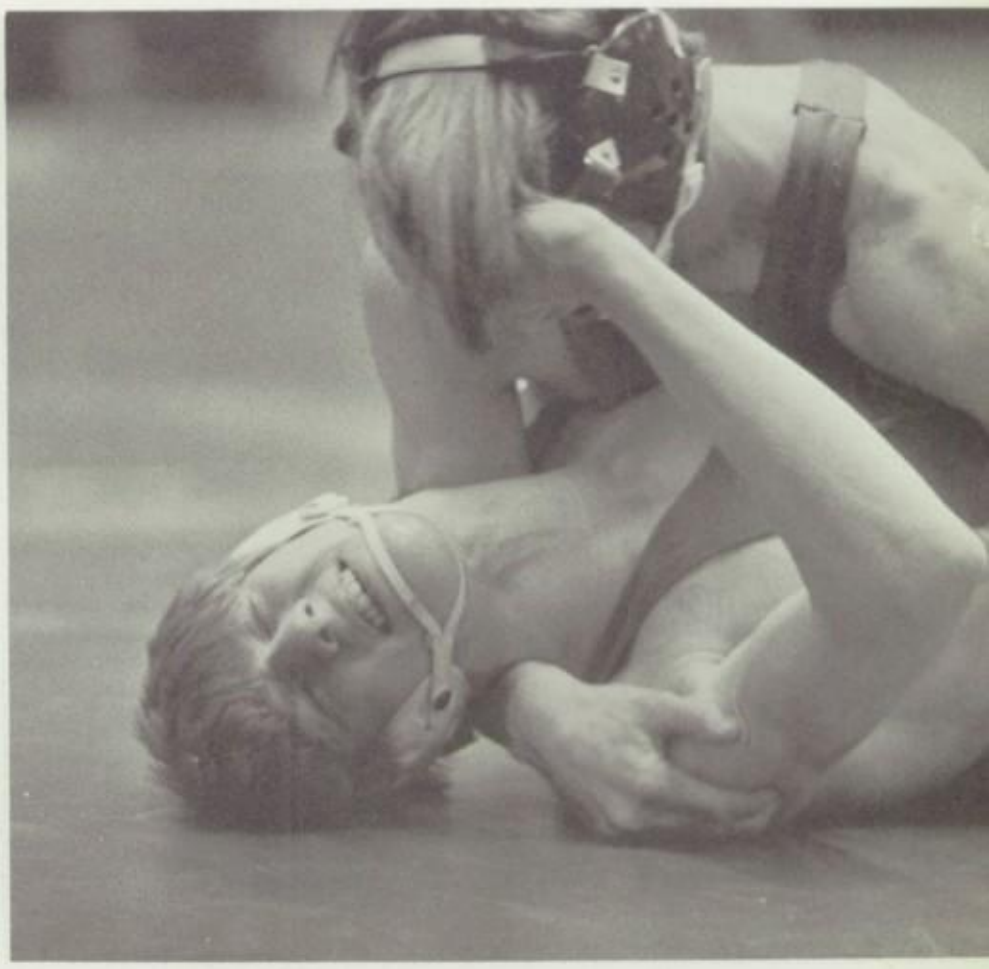
The team's coach, Flo Saracelli, was a constant inspiration to the team. Her exuberance and energy gave the team the encouragement they needed when the going got tough. Her dedication to this year's team is due to her leadership and the cooperation and determination of all the girls.

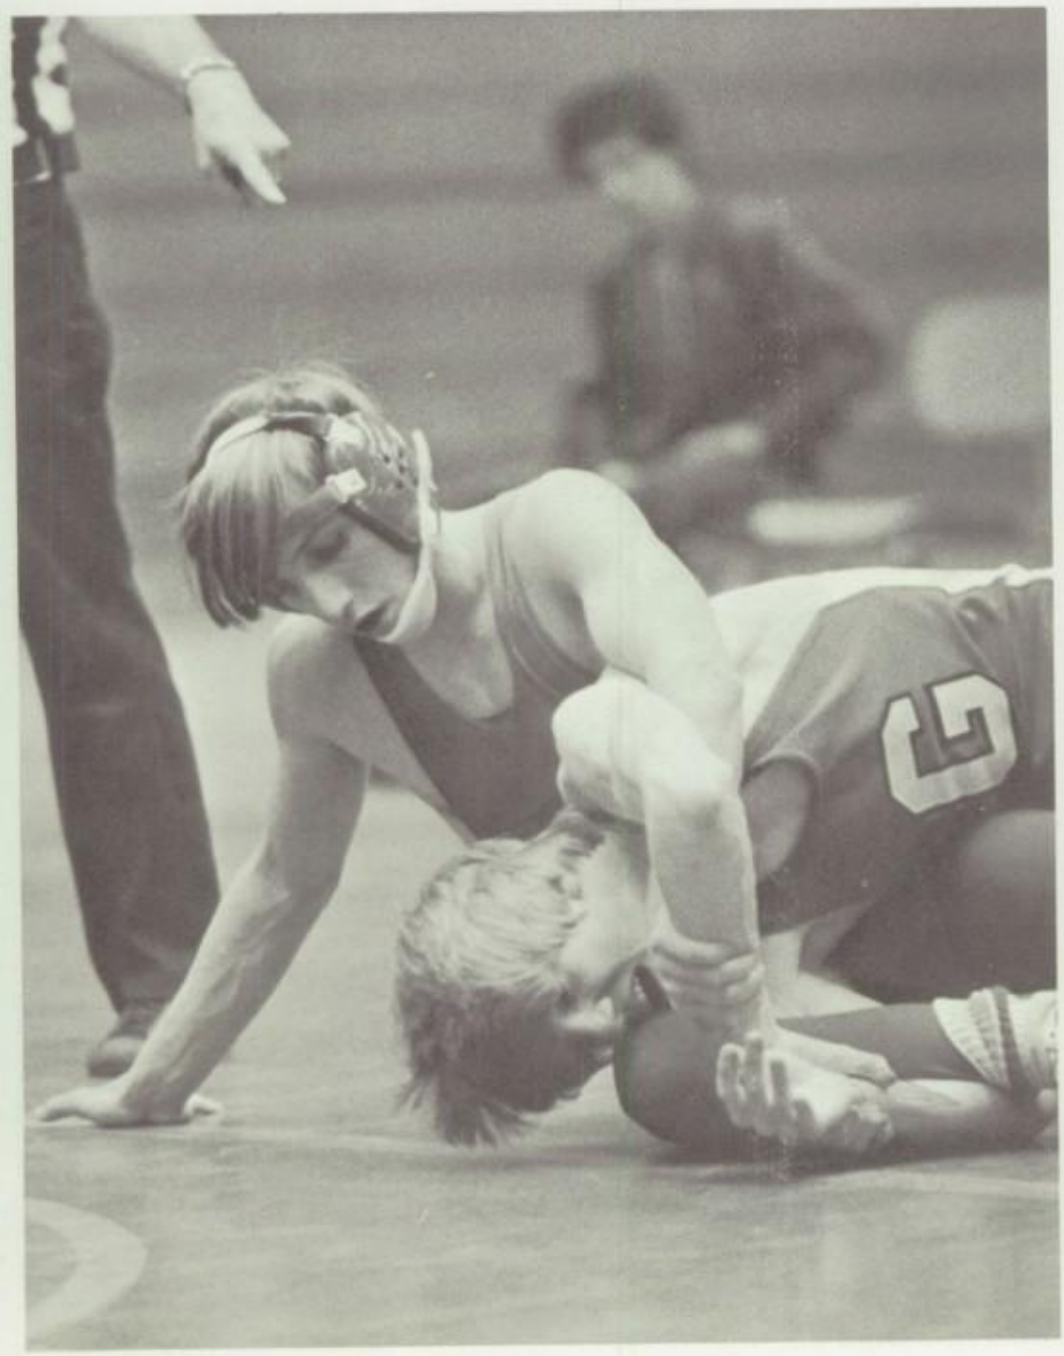
WRESTLING

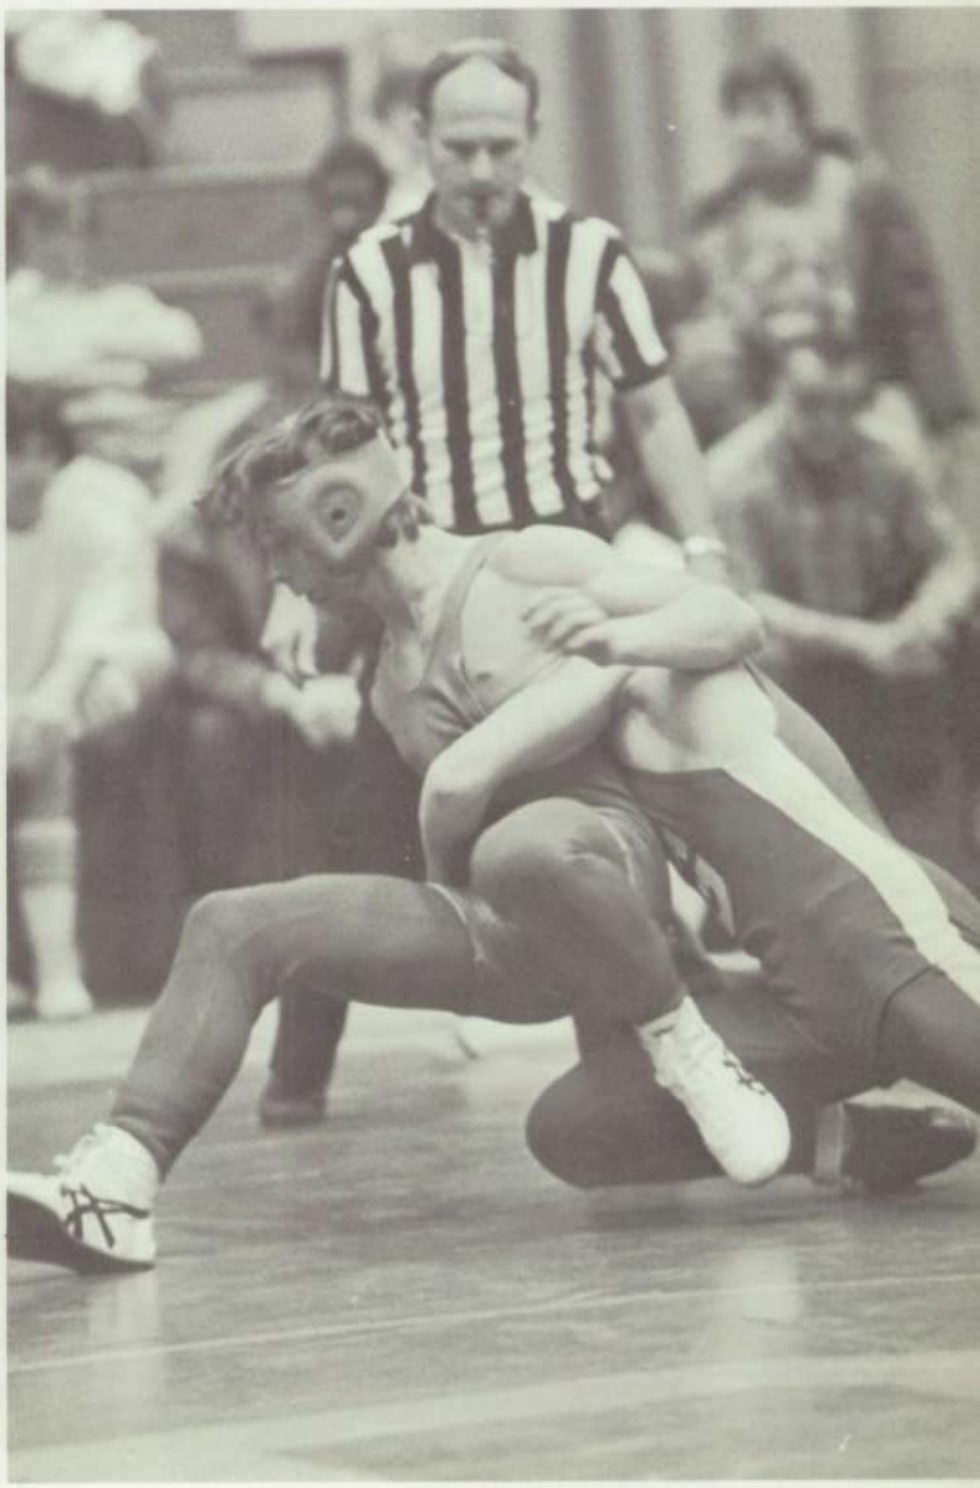


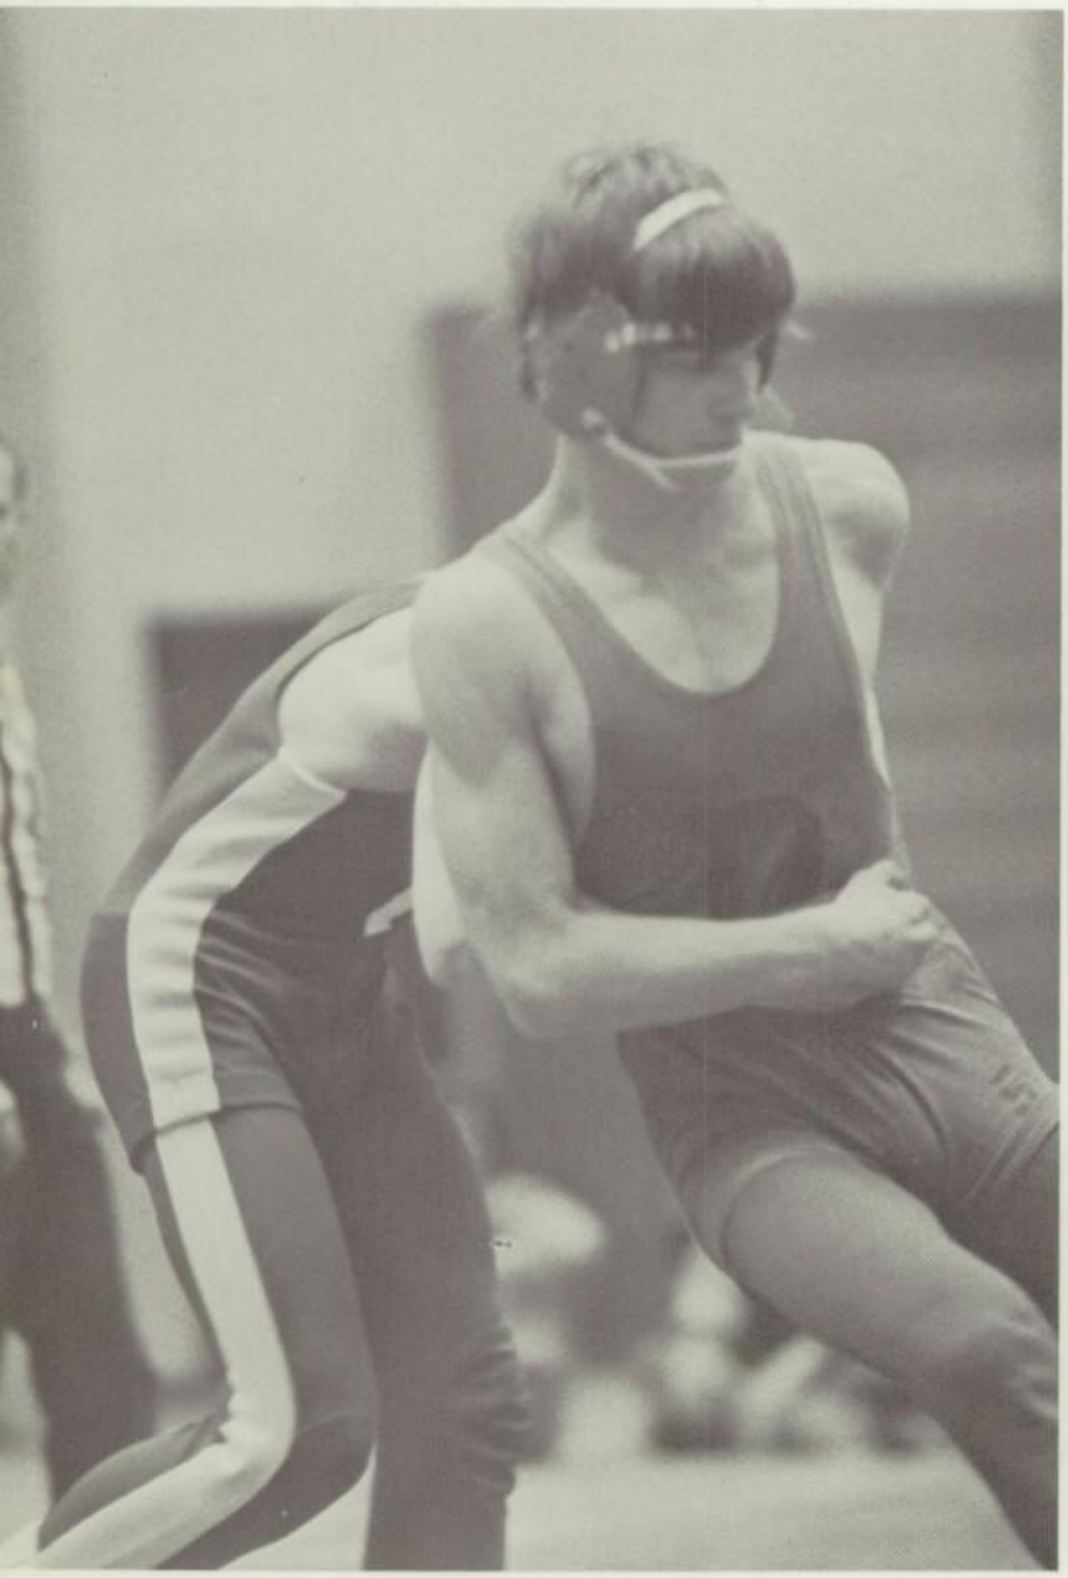


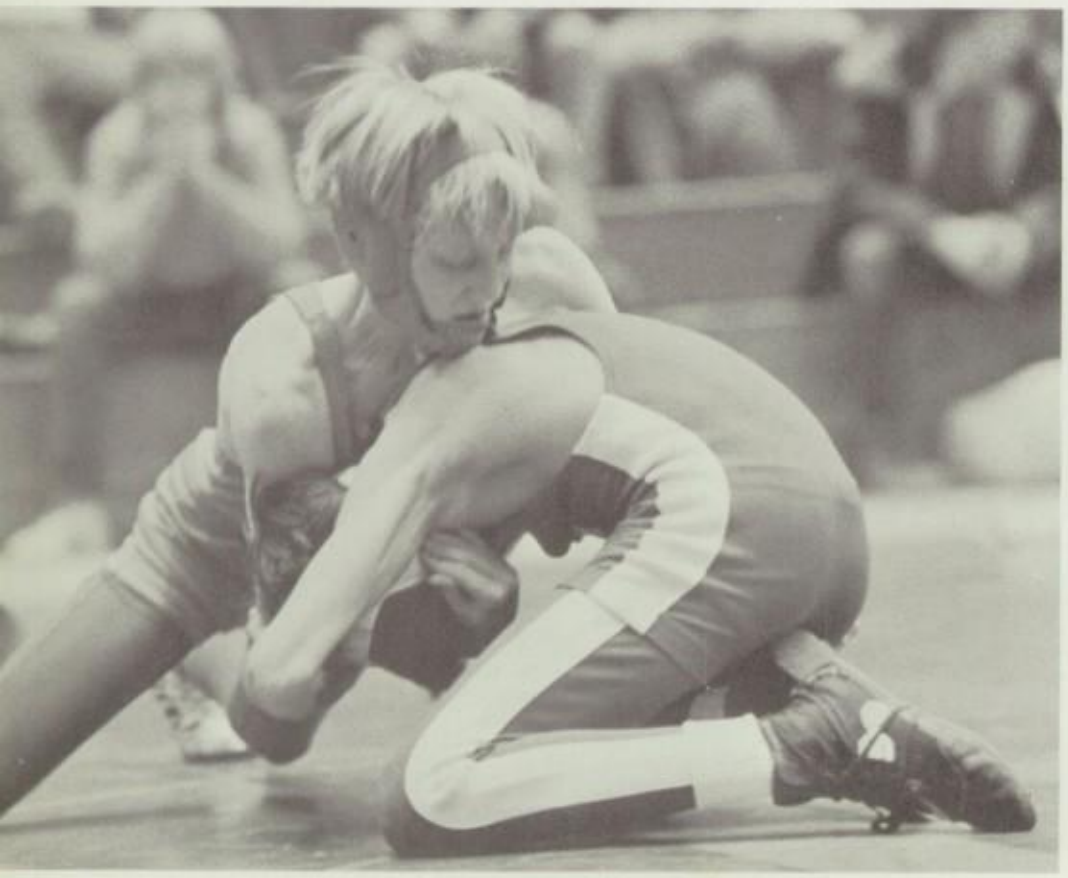


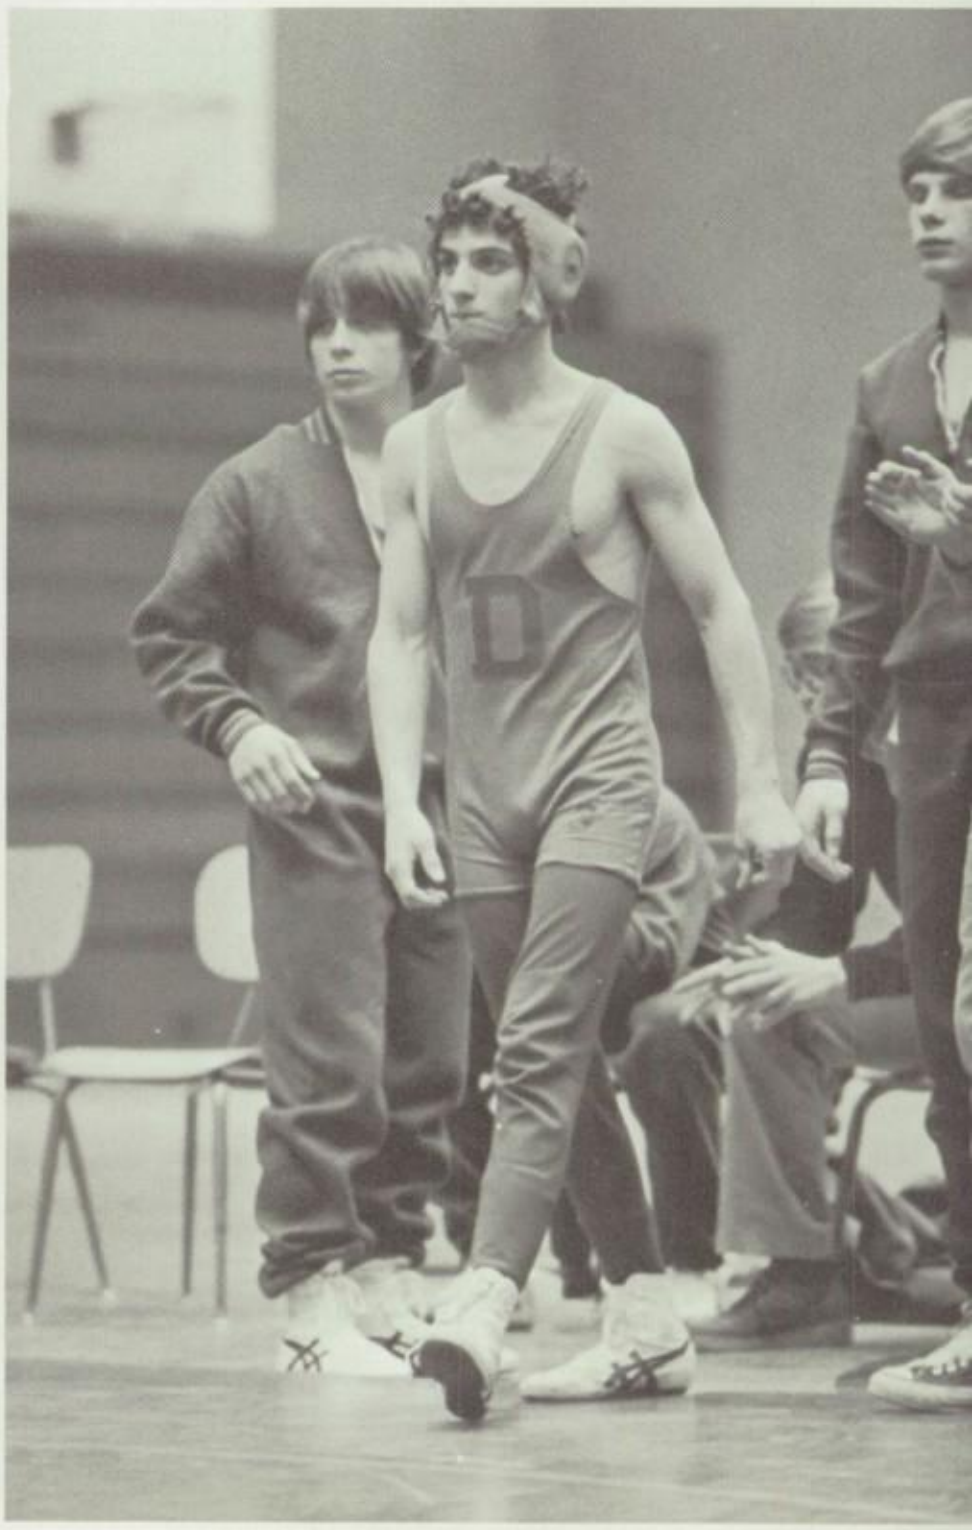


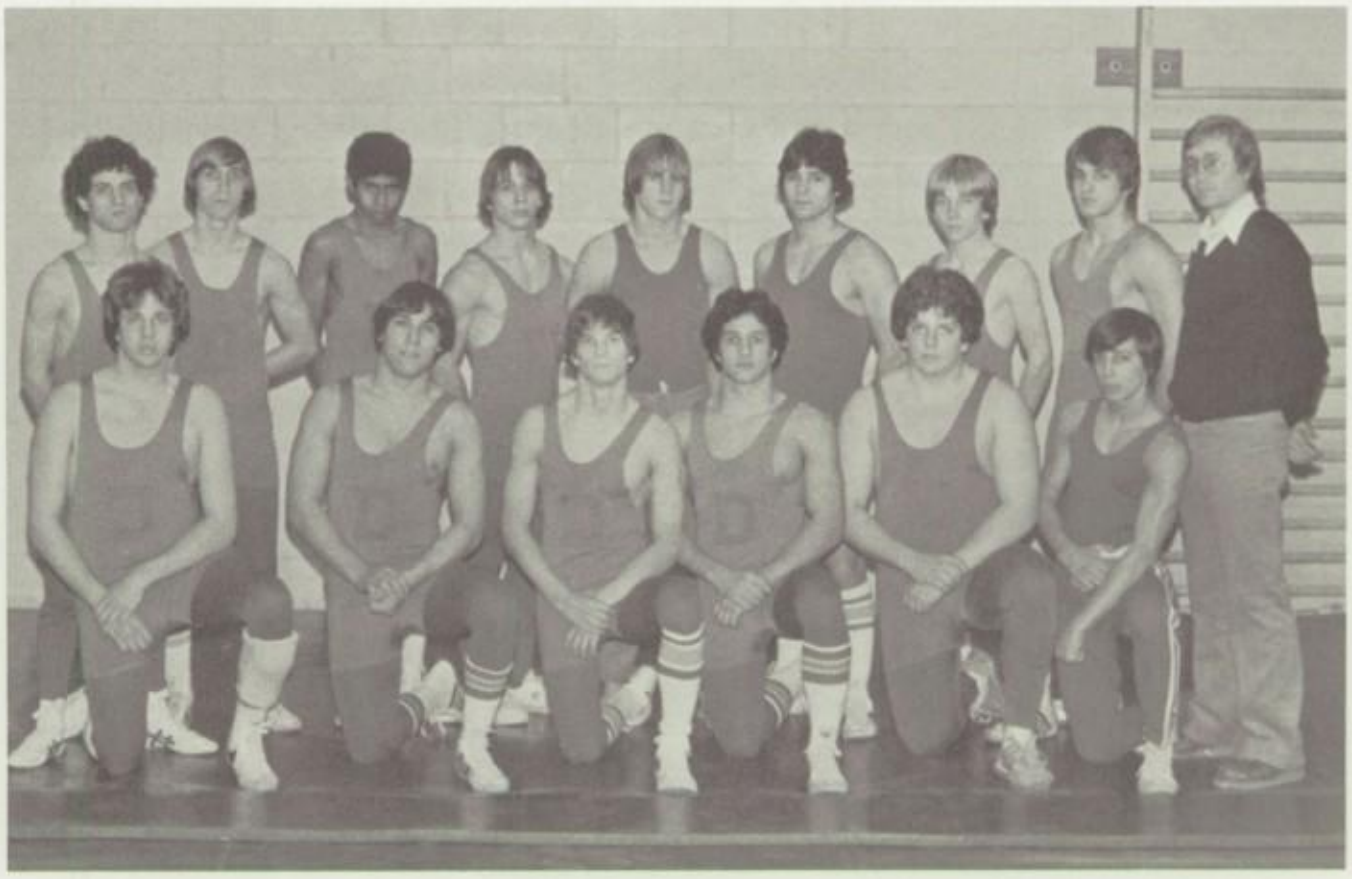












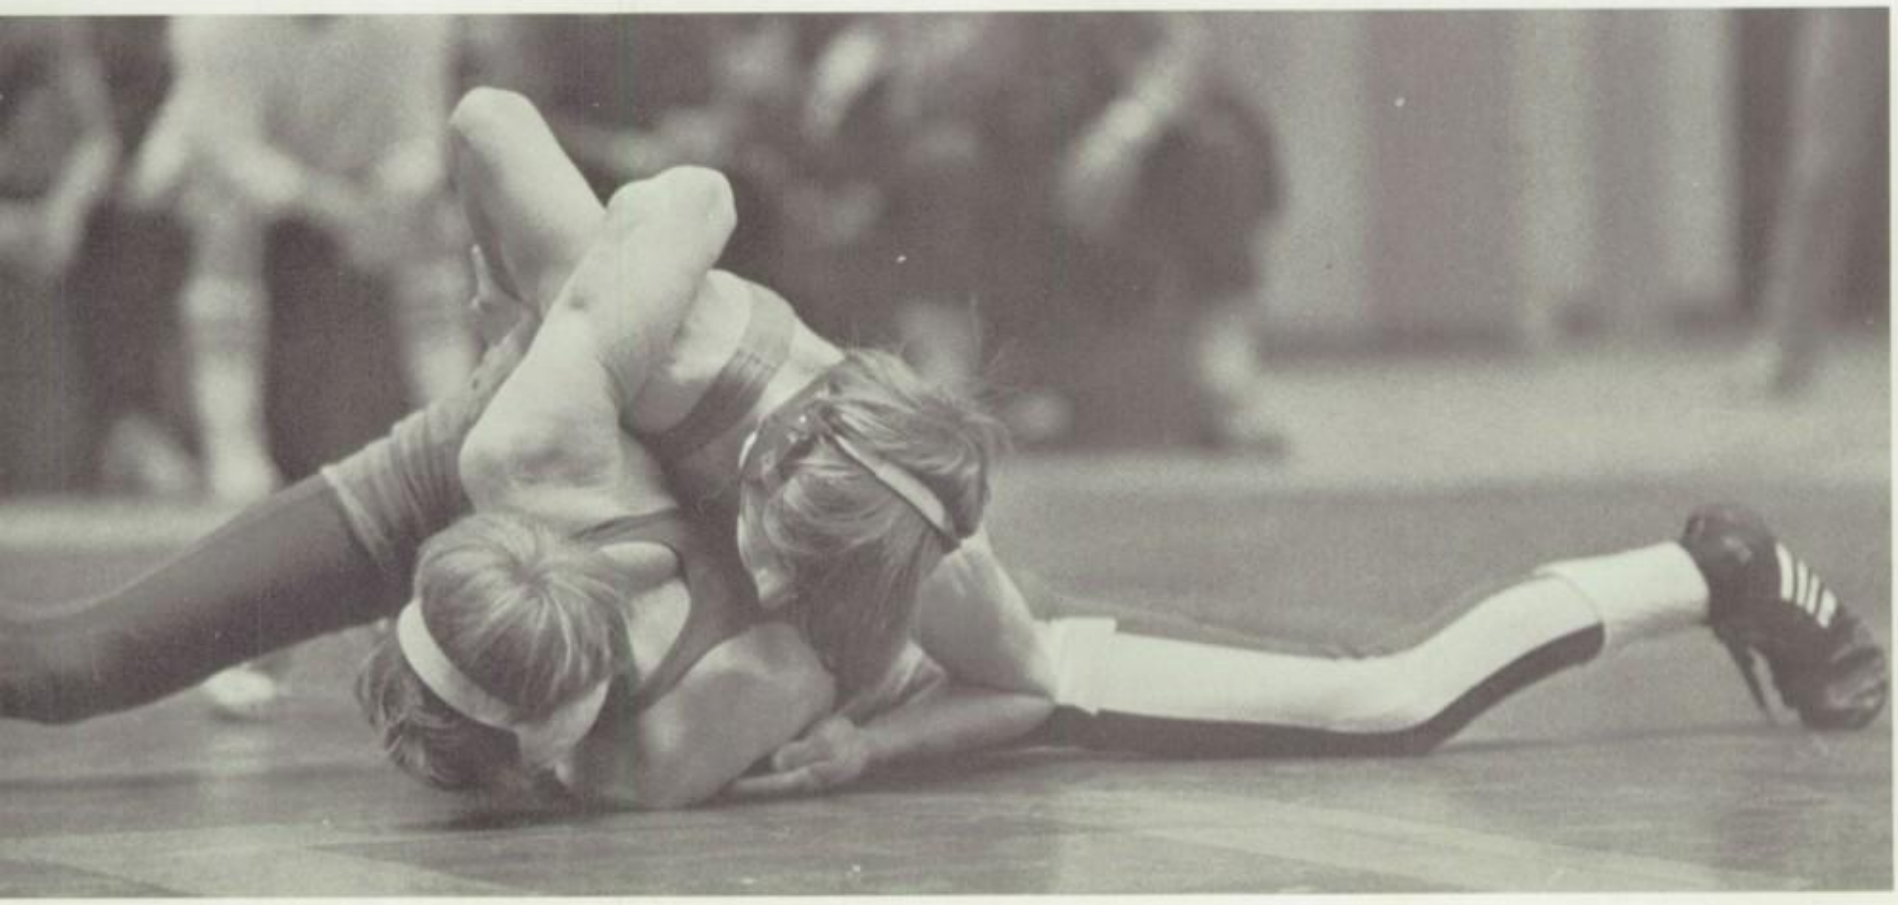
L TO R TOP ROW - Steve Nestro, Gary Gleissner, Wagdee Agora, Gary Tolbe, Steven Pollock, Jim Constantinesco, Rich Humphrey, Gary Welch BOTTOM ROW - Brian Battastelli, Bill Constantinesco, Robby Korcsmaros, Mike Stone, Nick Jiminez, Jimmy Piskura,

The '76-'77 DHS Wrestling Team had quite a season! Working diligently to overcome inexperience and injuries, this season's squad maintained themselves significantly. Steve Pollack and Dennis Stone, two of the opening season's hopefuls, found themselves on the injured list, but nevertheless the squad was undaunted in their efforts. Coach Jim Trocolla and Senior Tri-Captains Mike Stone, Robert Korcsmoros, and Nick Jiminez demonstrated a determination (coupled with dedication) in overcoming their season's demands.

The season was one of "rebuilding" for the wrestlers with five seniors receiving their coveted letters. They were: Donald Waterbury, Mike Stoe, Jeff Shepard, Robert Korcsmoros, and Nick Jiminez. Complementing these senior members were Gary Welch and Gary Gleissner, two junior members who competed very well. Rounding out this year's team were ten underclassmen who also received their varsity letters.

All in all, the team competed exceptionally well, and though young and inexperienced, the squad gained invaluable foresight which will be brought with the returning members into next year's season.

The team's matches were well attended by the student body who greatly enjoyed the performances of the DHS men. Surely, attendance at these matches is on the upswing!



GIRLS' BASKETBALL

Coach; THIRD ROW - Kathy McCann, Jill Oligino, Lisa Jowdy, Barbara Richter, Darlene Richter, SECOND ROW - Carol Glintenkamp, Katrina Toth, Cheryl Mink, Alicia Obrien, FIRST ROW - Nancy Olson, Beth Bronson, Coach Mike Cioppa.

A new improved girls' basketball team returned to DHS this year to treat fans to the first DHS victory in two years. All decked out in brand new warm-ups, the group played a fiercely competitive season with such innovations as the first night game for girls' sports.

Nancy Olson, team captain, served as a real example to the rest of the girls. She provided the energy and enthusiasm needed to spark the team on to victory. Beth Bronson was the only other senior on the team, playing forward during her first season. Juniors made up the bulk of this year's squad, blending a fresh outlook with their experience. Diane Riley earned the title of high scorer for the season and was considered one of the best players in the league; her ability in sports was deeply admired by her team mates. Top rebounder was Kathy Collins, who worked closely with forward Carol Glintenkamp, the team's most improved player. Other team members who exerted diligent effort for the group were Alicia O'Brien, Katrina Toth and Cheryl Mink.

Under the guidance of Coach Cioppa, they used their first loss against Roger Ludlowe as a catalyst to push them on to their first victory of the season.

The 76 - 77 D H S Basketball Season proved to be one of inexperience for the **Hatters.** This year's team consisted of only two senior members which meant that the underclassmen gained invaluable experience for next year's season. This season, however, found our losses outnumbering our victories.

Three juniors, Doug Elliot, Mike Harps, and Shaun Ratchford, were the captains of this year's team. The only seniors on the squad were Duane Perkins and Jim Herald, but their knowledge of basketball and their playing experience was evident in the team's performance. High scorers for the season were Zack Duren and Mike Harps. Two sophomores, John Brosz and Paul Glintenkamp, rounded out the team with their fine efforts and genuine enthusiasm for the game.

Throughout the season, fan attendance at the basketball games was high with students travelling many miles through inclement weather to cheer their team on at away games. Some of the better games that the team treated their fans to included one against Roger Ludlowe where the **Hatters** miraculously squeaked ahead to win the game 80 - 79, with Bill Cortese's last second shot saving the day; and an intense game against Westhill where we won by an extremely slim margin of 76 - 75. The **Hatters** looked like seasoned professionals playing against a stunned Norwich team, and then went on to play solid games with Staples and Andrew Warde, two very competent teams.

COACH VALERIE LEWIS

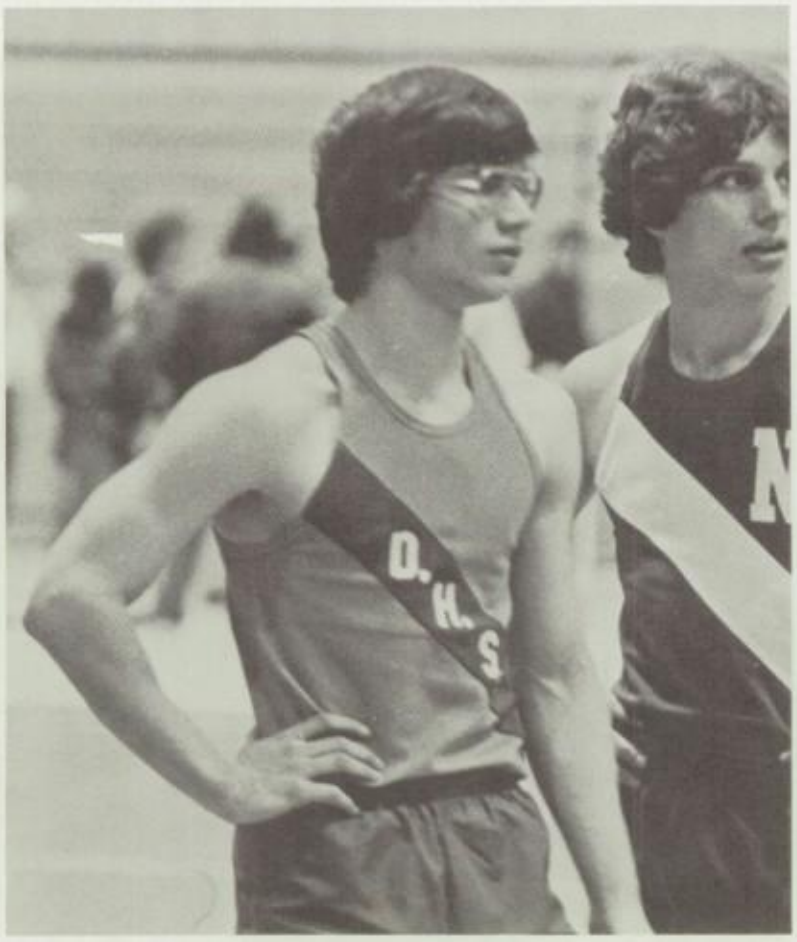
Utilizing skill, balance, and precision, the DHS Gymnastic Team pranced through an excellent season. Captain Sylvia Dahlmeyer led the team to many victories and few defeats.

Each girl worked on the development, execution and style of her routines, specializing with the equipment on which she felt most confident. Melina Spremuli was a star on the balance beam, combining perfect balance and precise workmanship to add to the team's total performance. Leaping like a gazelle, Kathy Krauth supplied a new dimension to vaulting. Whipping around the uneven parallel bars was Penny Brennan, a specialist in this gravity defying event. Other team members whose sparkling performances added to the team's success were Tina Mulvey, Miki Caprio, Pam Behari, and Linda Schwartz.

The team's most decisive victory was over Rippowam. The Danbury girls took all places in the floor exercises and vaulting events, and placed first in the uneven bars and balance beam. The girls' other performances were equally as brilliant.

Much of the team's success can be attributed to the sincere coaching efforts of Miss Valerie Lewis. Her dedication to the girls was evident in the long hours she spent helping them to perfect their routines. Surely, gymnastics at D H S is on the upswing.

INDOOR TRACK
CROSS COUNTRY



For an athletic team to be successful it needs an experienced team and an experienced coach. Under the dynamic guidance of Coach Dan O'Grady, the cross country team achieved new heights.

The 1976 Edition of the DHS **Harriers** led by Co-Captains Tim Crispyn and Dave Humphrey certainly had many hills and obstacles to overcome on their way to a successful season. An opening defeat by Roger Ludlowe got the Orange and Blue off to a bad start, but it uncovered a junior runner, Dave Deboben, who was to be the Harriers number one man for the season placing first for Danbury in twelve meets. After their opener, Danbury won two meets against Rippowam and McMahon and also rallied in mid-season to beat Stamford Catholic, Andrew Warde, and Westhill. Deboben, Humphrey, and Crispyn were given solid support by a group of capable underclassmen — Ed Shaughnessy, Frank Mooney, Bob Tamburri, and Chris LeCoz. Dave Torielli came along well at the end of the season to make the top seven for the State Sectional. Senior Eric Wassman added balance to the team in several victories. Dave Deboben qualified for the State Meet and is Captain-elect for 1977. Nicole Pavlides, a sophomore, was entered in the Girls' FCIAC Championship and placed ninth.

The return of six lettermen and a great JV team make the prospects for next year brighter.

Danbury High's Indoor Track Team had an excellent season in 1977. At press time, the Hatters had already won the FCIAC Western Divisional Title and were diligently preparing for the County and State Championships.

In addition to an impressive line up of forty boys who took part in the varsity and JV program, seven Danbury girls competed for the first time in the Girls' FCIAC Championship at Wilton. Impressive, as the Danbury Runners have always been under the guidance of Coach Dan O'Grady and Coach Bob Taborsak, the girls maintained the DHS tradition with their sensational performance. Danielle Moses finished third in the 50 yard dash while our sprint relay team came in fourth out of a field of 10 teams!

Leading performances by DHS Trackmen included a school distance relay record set by the dynamic seniors John Cappiello and Tim Crispyn, and the sensational juniors Bob Gadoci and John Merlock. Seniors Tim Crispyn and Dave Humphrey placed one-two in the divisional meet's one thousand yard runs. Other top performances with DHS stars included seniors Doug James (hurdles, pole vault) and Mike Spremulli (long and high jump), and sophomore Bob Cyr (shotput).

Senior Tri-Captains Mike Spremulli, Tim Crispyn and Ron Walter provided excellent leadership. They and seniors Dave Westfall, Dave Flynn, Bret Kilheney, Jim Chalmers, Alex Brown, Dave Preusse, Doug James, Dave Humphrey and John Cappiello will be greatly missed.

Organization is the name of the game when it comes to successful student government. The Sophomore Class Council has been extremely busy co-ordinating their class council, and beginning three years of arduous work at Danbury High.

As their first class council project, they designed and built a beautiful orange and blue whale which swam away with first prize in the Homecoming Float Competition. By selling T shirts and carnations, they found themselves on solid ground financially. They completed an active year's worth of projects by sponsoring a dance late in April.

The Sophomore Class Council had a fine beginning year, and they are looking forward to eventful and profitable years as juniors and seniors.

The Junior Class Council consisted of thirty home room representatives, their alternates, the class officers and their advisor, Mr. Ernest Wills. They were an enthusiastic group; the backbone of the many successes of their class.

The Juniors sold T shirts, candy, and various other gifts at Christmas time. They sponsored the tremendous Homecoming dance and had a most memorable Junior Prom.

The senior class council consisted of one representative from each senior homeroom, the four class officers and class advisor, Mr. William Foley.

Each representative was responsible to report the results of all class meetings to their homerooms, answer any questions that might be raised and collect class dues.

This year the council sponsored two successful concerts featuring **Earth Opera** and **Maze.** Two major fund raisers were held by the student council and the entire class helped to raise the money. The sale of magazines subscriptions was profitable, but the monetary goal was not reached. Next, we sold M&M's, "melting in the mouth not in the hands." This proved to be a very profitable fundraiser.

With the experience gained during their Junior and Sophomore years, the council capably planned and prepared for the Senior Ball, the Senior Banquet, the Variety Show, and finally our graduation.

BOARD OF GOVERNORS

The Board of Governors is a new institution in the halls of Danbury High. Its purpose is to aid in developing smooth relationships within the school and with the surrounding community.

Under the capable direction of Mr. Norman Winnerman and Mr. William Foley, the group began holding meetings in October, electing Theresa DeSousa as chairperson and Jeanne Finaldi as secretary-treasurer. Committees were formed to participate in such projects as intern workshops, fundraisers and curriculum, standing committees which operate throughout the year.

The Board of Governors, or BOG, its acronym, held fundraisers for the salvation Army at Thanksgiving and the annual toy fund drive at Christmas. They finished off the year with a fundraiser in April, completing the BOG's successful first year.

MARCHING BAND

The Danbury High School Band, led by Mr. Richard Aronson consisted of one hundred dedicated members. With Drum Major Randy Weyant leading them onward, they have enlivened many of our school events.

Football games would not have been the same without their spirit raising numbers, their beautiful halftime shows, and their rendition of our old school song. Their performances are always applauded at the Danbury State Fair, at graduation, at pops concerts, and at the Memorial Day Parade. With their hectic schedule and many rehearsals, the band remained one of the most spirited and united groups in the school.

The band continued to show their spirit by selling orange and blue hats, jewelry, and candy in order to raise money for a trip to Florida.

Tradition demands that Danbury High School have a harmonious **A Cappella** Choir. This year, Mr. Richard Aronson faithfully served as director and reaffirmed the tradition of **A Cappella.**

The year began with the annual lighting ceremony and candlelight procession. Many hours of practice went into the preparation for the Spring Concert and the Pops Concert, both of which were well received. The year culminated with the traditional program performed during the graduation exercises for the Class of 1977.

The rehearsal and performance schedule was demanding but no one seemed to begrudge singing. Many concerts were planned and performed eloquently, often in conjunction with the A Cappella Choir. The Jazz Choir also aided in fundraising for the trip to Florida. Mr. Richard Aronson served as director with Mr. Michael Machelletti accompanying.

THE MEGAPHONE

Headlines to Deadlines, the DHS **Megaphone** is in constant motion as the busy staff works hard to keep up with the ever-changing news scene at DHS.

Under the diligent and dedicated guidance of Mrs. Barbara Ratchford, the staff publishes six issues annually. This year the **Megaphone** was headed by Garth Amundson, Editor-in-Chief, and Managing Editor, Dave Humphrey.

The hardworking staff handled every task from interviewing and reporting to ad layout and typesetting. Many hours were spent laboring with love, over flats and plates. Hillel Goldman, Sports Editor, was often heard to wail, " .... but the writing is the easiest part!"

Every published issue was a triumph in staff cooperation. Pride in their work kept the presses rolling!

The Varsity Club made tremendous progress this year - financially and socially. The club's goa was to provide athletic and recreational activities for all the students at DHS. Any student who had earned a varsity letter was eligible to join.

The school year will always be remembered as a financially successful one for the Varisty Club Greatly needed funds were raised by the selling of programs at sports events and through the particularly profitable wrestling match which brought Gorilla Monsoon to everyone!

For the first time in the club's history, female athletics actively participated in the club' endeavors. The female sterotype was finally broken and everyone - male and female - became proud of their athletic ability.

REC NIGHT was a highly successful undertaking of the club. This weekly event provided an ideal place for everyone to gather for the playing of pool or cards, or simply for relaxing with good friends.

L TO R: John Denault, Allison Bernard, A. Fourkiotis, Barbara Varian, Liz Rynkiewicz, Peter Irrek, Ed Lockwood, Joe King, Mr. LaChina.

The German Club, under the guidance of Mr. LaChina, gave the students an opportunity to engage in an enjoyable activity while learning more about the German culture. They learned first hand about this culture during their trip to New York's German Culture House.

The club also held volleyball matches and bowling tournaments.

At **"Weinachten"** the German Club enjoyed the sampling of various holiday foods.

All in all the club worked hard at having a good time throughout the year. "Auf Wiedersehen!"

FRENCH CLUB

Le Cercle Francais, with the help of its advisor, Mrs. Dobsevage, allowed students an opportunity to sample French customs and traditions, whether or not they studied the language.

The activities this year were, a one day cultural excursion to New York, an exciting volleyball match with the Portuguese and German Clubs, and a Christmas party which joined together two separate holiday customs sponsered by the French and German Clubs.

The annual banquet brought a happy and productive year to a close.

ITALIAN CLUB

The Italian club registered 9.5 on the enthusiasm scale this year as they shook DHS with their energetic attitude. Beginning early, they organized themselves for the activities of the coming year. Ellen Magliocco president, Greg Villela vice-president, Maria Tomainio secretary, and Karen Felisimo treasurer diligently prepared for a year of responsibilities.

The primary goal of the club was to raise $715.00 for an April trip to Italy. The club members enjoyed the trip tremendously; learning much about Italy by experiencing it. To finance an Italian Holiday, many fundraisers were needed, among which were a concert featuring **I Cuigini de Compagnia,** Italian dinners, a candy sale, a car wash, and a bake sale. All of the money-making ventures were profitable and the needed dollars were raised.

It was a very successful year for the Italian club and the members and officers should be congratulated for their excellent work! **Arrivederci!**

Presenting, the award winning, #1 Key Club in New England: the Danbury High School Key Club. The Key Club is one of the most active service organizations at DHS. Made up of a group of concerned and dedicated young men, the Key Club works all over Danbury, helping in many areas. Team tutoring, sponsoring swim lessons and working at the Danbury Community Center are some of their major accomplishments. The Key Club lends their services to everyone in the area. They also collect for such drives as the American Cancer Society and the Salvation Army.

DISTRIBUTIVE EDUCATION

The Danbury High School chapter of the Distributive Education Club of America (DECA) completed another productive year of activities.

In addition to operating **The Mad Hatter,** our profitable school bookstore, DECA sponsered a remarkable number of endeavors including Nestle's booth at the Danbury State Fair, the successful DECA Halloween Dance, Thanksgiving food baskets for the needy, letter to Santa, the Pepsi Learn and Earn project, and a Career Education/Distributive Education Elementary School project. Advised by Mr. Edward Valentukonis, this year's activities were headed by: Lillian Tancos, President; Cathy Jennings, Vice-President; and Cindy Hajj, Secretary. We were honored to have a Danbury High School student, Lori Gulliver, be elected President of the Distributive Education Clubs of America for Connecticut. In January, Lori was given the opportunity to meet with Govenor Ella Grasso to commemorate the proclamation for Free Enterprise.

Being serious students, the members of DECA, realize that their merchandising education need not culminate with a high school diploma. More often than not, DECA is branched into various colleges where the further study of the merchandising sciences are explored.

SKI CLUB

What is a
SKIER?

A skier is someone
who'll drive 2 hours to wait
in line for 35 minutes in order
to spend 5 seconds falling
down a hill in a blizzard.

Every skier appreciates lots of white snow,
red sunsets, and Blue Cross. And all of
them have their ups and downs,
usually only minutes apart!

Skiers can be identified by their
bright jackets, long poles, flailing arms,
horrendous screams, and broken ankles.
They'll usually be surrounded by smiling
companions and, in most cases,
ambulance drivers.

There are many students at DHS who love the thrill and excitement of outdoor life. They are happiest with the wind in their hair and the sun in their eyes, and Ski Club is just the place for them.

With the enthusiasm of the club's president Joannie Kaplan, vice-president Connie Fiske, treasurer Cindy Hajj, and secretary Claire Harris, this first year club got off to a rip-roaring start. They club raised their desperately needed dollars from a Nestles fundraiser, using the money to help finance a trip to Jiminy Peak with the guidance of club advisor Ronald Emerson.

The highlight of the skiing season was a four day trip to beautifully white Vermont. The trip was worth the determined fundraising effort to finance it.

Cheering at the forecast of every blizzard, the Ski club greatly enjoyed their many long trudges and slides through the glistening powdery snow.

The other major events on the AFJROTC calender were the Milita

NUTMEGGER

The Nutmegger, and old, established tradition from the literary world of DHS has enjoyed a rebirth in its creative endeavors this year. Beginning quite early in the school year, the staff produced their first Nutmegger Datebook/Calender. Well received by all, the profit from the sale of the Datebook helped defray the cost of producing this year's literary magazine.

This year, under the editorship of Steve Wasloff, tons of student writing and art were selected to appear in print. Assisting Steve in editorial positions were: Janice Ancker, Literary Editor; Renee Lambert, Graphics Editor; and, Lenore Brancato; Secretary/Treasurer.

PORTUGUESE CLUB

Many Portuguese-American students feel strongly united by their common language and ethnic background, and as a result the Portuguese club was formed to strengthen their ethnic bond. Their aim was to learn more about their heritage and culture, and to use this knowledge to restore cultural pride.

In February they made an enormous group effort to sell candy. The money that they earned was used to sponsor a cultural excursion to New York City and to establish a scholarship for a deserving Portuguese student. Their social events included a dance in March and an end-of-the-year picnic. The club's events, whether educational or social, serve to augment the cultural ties between members.

President, Louis Perreira, vice-president, Tony Lopes, secretary, Judy Miller and treasurer, Fatima Lopes guided the club through its projects.

Instruction in basic skills as well as advanced jumping was continued throughout the school year in the center's outside ring or inside heated arena.

The club members whinnied with joy at the availability of cross country riding during the spring and fall.

Under the knowledgable guidance of experienced riding enthusiasts Ms. Anderson, Ms. Rzegocki, and Mrs. Ingham, the club had a trotting good time! **Hi, ho, Silver . . . Away!**

PEER COUNSELORS

The Peer Counselors are a group of young people who spent weeks training to develop helping skills to use in the Danbury School System and in their personal lives. Under the guidance of school psychologist, Ted Kinasewitz, the peer counselors developed a greater sense of self awareness which they used to instill a sense of empathy and confidence in the people with whom they worked.

Mr. Frank Shields played a great part in arranging the activities of the peer counselors. The counselors worked in schools on an elementary and junior high level.

S BUILDING RESTORATION

The S Building of Danbury High School was built in 1968 with the purpose of supplementing the classroom space at our overcrowded school. As the years passed, the condition of the building deteriorated. Bitterly cold drafts ripped through the narrow halls, providing little shelter from the January wind. Finally, something was done.

This year, a group of ambitious students under the direction of Mrs. Marilyn Boden, took it upon themselves to restore S Building to a more pleasant atmosphere conducive to better learning.

Their tasks included repaneling the hallways, repairing the carpeting, and replacing doors and lighting fixtures. The necessary capital for this endeavor was gained through various fund raisers. Bobby Torcaso served as president and Estelle O'Connor was vice-president for the club. The new appearance of S Building was an incentive for all students with classes therein to study with greater interest.

The Future Teachers Club is composed of a small group of students who love to be around children and who have expressed an interest in teaching careers.

In the spring the club members visited various elementary schools in the area where they were allowed to sit in on the classes in session. Some were even allowed to do a little teaching which gave them an excellent opportunity to explore their goals.

President Ellen Magliocco, vice-president Sharon McKneis, secretary Donna Ongare and treasurer Laurie Sauer led the club in their endeavors.

The yearbook staff would like to thank all of the individuals who in their own manner have made special contributions to the yearbook. They gave of their time, effort, and of themselves. We extend our warmest appreciation to Mr. Pothier, Mr. Pace, Mrs. Ratchford, and the Central Office staff. Special thanks go to Rick Sharp of Brown Studios and to the one and only Hank Hansis of American Yearbook Company. We also thank Governor Grasso, whose state proclamations made yearbook life more bearable!

Our high school days have ended,
We are leaving D.H.S.
Its portal wide swings open,
And we're marching toward success.

The years have passed too quickly,
Bringing happiness and tears,
Dawns of glorious tomorrow
Are now beckoning through the years.

Before us lies a shining goal,
A dream awakened in our thoughts,
A vision of lofty ambitions
That our high school days have wrought.

So now to teachers and to classmates
With whom we break the tie,
And last of all to '77'
We bid a fond good-bye.

CLASS HISTORY

The 4th of September, 1974 dawned bright and clear as we, the Class of '77, first entered the Halls of DHS. Excited and nervous, full of stories about the horrible tricks upperclassmen would play, we nevertheless made our first days of classes and registration a success. Despite what we had been told, no one tried to sell us "elevator passes" (what, you mean there ISN'T a fourth-floor swimming pool!) but many of our confused and bewildered classmates were misguided with mischievous glee by the "sophisticated" juniors and seniors. Still, we managed to find our rooms, and vowed NEVER to mistreat underclassmen in such a terrible way.

Class elections came next, and our leaders for the coming year were: Vivian Riefberg, president; Maura Schwartz, vice-president; Judy Greely, secretary; and Cindy Mattingly, treasurer. William Foley, a history teacher, offered his services as our class advisor, and we did our best not to make him regret it. School politics were always important to us as a class, and we proved this through our enthusiastic participation in the Class, House and Executive Councils.

Setting the pace for the next three years, fundraisers were our primary activity and the sophomore class sponsored several money-making endeavors. The sale of class T-shirts, light bulbs and "M&M's" all helped to increase our funds, as did the February winter sports and May spring sports dances. The class itself responded well to the Council's call for dues, and the collection campaign added $1, 373.00 to our account.

The year ended all too quickly, and summer of sixteenth birthdays and Driver's Ed prepared us for the activities of Junior year. Now confident and sure, we quickly forgot past promises as we blithely pointed bemuddled sophomores into every direction but the right one. (How soon we forget!)

Class elections were held once again, and two new faces came out in front: Cindy Blore was now treasurer, and Sue Baldwin was elected vice-president. The new officers soon began their term by initiating a "Bright of America" fund drive. This sale of notepaper, candles and placemats was a great success, and some very happy juniors earned prizes such as a stereo, DHS mugs or a two-foot stuffed bird.

Following tradition, the junior class sponsored the Homecoming Dance at which were presented the fall sports awards. Paying heed to the sophomore float theme, our team easily "Beat the Bears" and, with a score of 20-0, won the Homecoming Game for DHS.

Besides the dues collection drive, we held two more fundraisers, one being the Valentine's Day Carnation sale. For one dollar, the junior class would give a message attached to a red carnation to anyone in the building. This idea, like most of our others, made a hit with students and faculty alike; still, our Class Council is human, and the Gloria Gaynor Concert held late that year was one of our few mistakes. (If you don't believe it, just ask Mr. Foley!)

Never down for long, other events soon lifted our spirits. Brian Repole and Joan Ginise were chosen to represent Danbury High at Boys' and Girls' State, a practice in government held during the summer for delegates from all over Connecticut. Our class was just as proud when a large number of juniors were elected members of the National Honor Society by faculty and administration. The Junior Prom, co-chaired by Eric Wassman and Sheila Lougheed, was a fine example of our class' thoughtful planning and imagination. Junior volunteers formed committees and, working together, made our Prom Night a successful and enjoyable one for all involved. The theme, "Our Day Will

Come," put into words the hope and excitement we felt as our junior year came to an end and we officially became SENIORS.

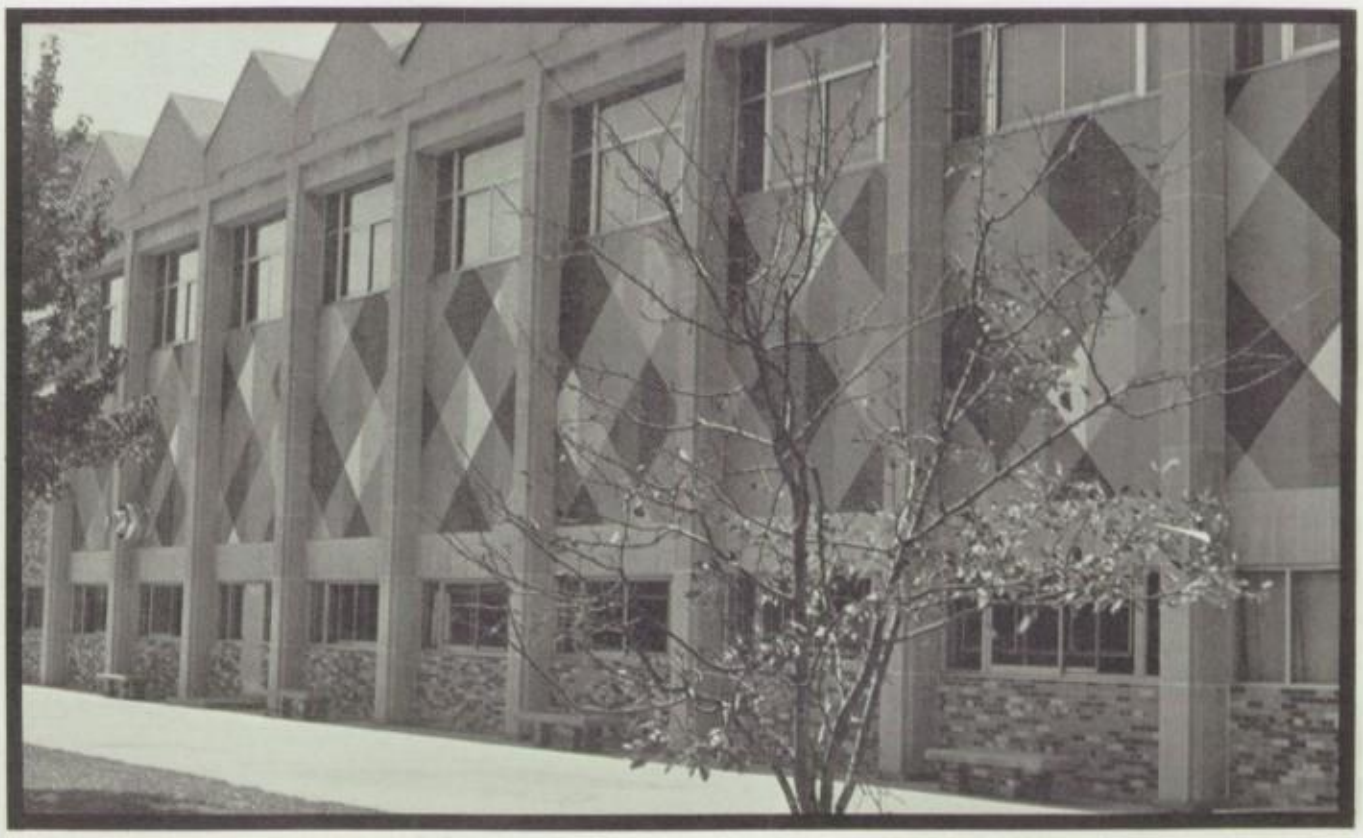
After a restless summer of anticipation, senior year finally came. (Was it only two years ago we were sophomores? How time flys!) Class elections began the year as usual, with all four officers running undefeated. "Undefeated" became our motto as the DHS Football Team (led by our shining seniors, of course!) had one of its best seasons ever. The Senior class managed the Homecoming Weekend activities, ranging from the Pep Rally the day before the game to the competition for Homecoming Queen. The nominees chosen by our class were: Sue Baldwin, Cindy Blore, Pat Charles, Judy Greely, Lori Gulliver and Sheila Lougheed. It was a tough decision, but it had to be made, and Judy Greely was chosen to reign over the weekend's festivities as the Class of '77's Homecoming Queen. To make the day even more perfect, the Football team proved itself once again as they defeated O'Brien McMahon in the last home game of the season.

The only way to go now was up, after the senior-sponsored Pep Rally we found ourselves at Boyle Stadium in Stamford, vying for the FCIAC Title against Trumble High School. Cheered on by their fans, the Hatters defeated the Eagles in one of the most exciting games of the season. (Knew you could do it, boys!) Happy and triumphant, a parade of jubilant Hatters, proudly displaying the orange and blue, made its way up Main Street to the high school for a round of applause and congratulations. The Booster's Club sponsored a banquet at the Amber Room to honor our victorious football team. Speakers such as Superintendant of Schools Pasquale F. Nappi, Coach "Gus" Edwards and Mayor Charles Ducibella commended the team for their fine performance both on and off the field. The Class of '77, in recognition of our fellow seniors, presented a blue and silver plaque on which were engraved the names of the senior members of the Championship Team as well as Coach Edwards'. Dinner and dancing completed that highly successful evening.

The seniors again held more fundraisers in an effort to raise the money needed for graduation, the Senior Ball and the yearbook, AGGREGATE '77. While Joann Bradshaw, Karen Zimmerman and Joan Ginise (under the watchful eye of Mr. William Shields!) were hard at work on the yearbook, the senior class sold Reader's Digest records and magazine subscriptions as well as "M&M's" to offset the astonishing cost of publication. Many of our more involved classmates also tested their salesmanship on yearbook ads, and this effort too helped ease the **AGGREGATE'S** financial demands.

In December, our class sponsored a concert by "Earth Opera", and this talented rock group was met with enthusiasm by the student body. This enthusiasm and initiative, so typical of our class and school, helped make us the first Connecticut high school to be recognized on Janurary 26th by Governor Ella Grasso "for dedicated service to our citizens." This honor was very special to our class, and will be remembered as one of the highlights of our senior year.

Time passed quickly, and in February we were measured for our graduation caps and gowns. This activity reminded us of how little time we had left at Danbury High School, and so we worked harder (and partied longer!) to make the most of the few months we had left. One of the projects we worked hardest on was the Senior Variety Show. Under the direction of Jeff Blum and Diane Lynn, our class produced a lively and entertaining show of which the seniors were very proud. The theme, "The Times of Our Lives", sparked a creative flame in many people and the acts presented were imaginative as well as diverse. The Senior Ball also took up much of our time and attention. Co-chaired by Joannie Kaplan and Sheila Lougheed, the Ball was held on May 28th at the Amber Room. All the careful planning and hard work we invested paid off in the wonderful time everyone had; the evening was a great success, and the perfect way to help bring our senior year to a melancholy close.



As we approached the traditional Senior Banquet and our long anticipated graduation ceremony and All- Night Party, we realized how very much Danbury High School has meant to us these past three years. Our thoughts, beliefs and ideas have all been influenced by what we have seen and heard within these hallowed halls, and this influence will be carried with us for the rest of our lives. Over the years, our class has proven itself over and over again, participating actively and enthusiastically in all phases of school life. We only hope that future classes will work hard and strive to reach the high standards of personal and academic achievement set by the Class of '77.

And now as we take our departure from Danbury High School, we can look back upon our experience and appreciate the energy which has been expounded for our benefit by our faculty, administration and staff. We seldom showed any sign of appreciation during our years at DHS, but as we mature we gain a sense of gratitude for those who taught us and disciplined us.

We have often been told that our high school years are the best years of our lives. While this is true, very often they proved to be difficult years as well. But, with the help of many dedicated individuals we have successfully completed this plateau. And so, we would like to thank you, Mr. Ryan, for making our school great! Also, we would like to thank the administration for holding our school together. And finally, thankyou, teachers, for your unending service to us.
